From **06 April 2009** the current Health and Safety Law Poster will be replaced with a revised simplified version. The revision coincides with the modifications to the Health and Safety Information for Employees Act.

All businesses are required to display a copy of the Law poster, or alternatively, provide each member of staff with a personal copy of the poster in leaflet format. The 'leaflet' form of the Law poster will be available in packs of 25 at £5.00. Businesses can continue to display the current version of the Law poster for a period of 5 years effective from the date of introduction of the new version. There is consequently no immediate requirement for businesses to purchase the new poster.
